

General Herget Choir Information
EARLY MORNING CHOIR and HERGET HARMONIX
Both are All Year Groups General Information

Early Morning Choir (E.M.C.) provides an opportunity for students from **all grade levels** to come together to create a unique choral ensemble. The Harmonix is a special (auditioned) advanced choir. E.M.C. meets **Friday mornings at 7:30 A.M.** in room 4005. There is no fee to join; the students should simply possess the desire to sing, have transportation to school, and have the proper performance attire (see below).

EMC - First meet, greet, and sing-through is Friday August 24 at 7:30AM.

Please drop-off students in the rear of the building at door #52 using the fire/service lane that goes around the building. Enter the driveway near the 6th grade side of the building, drive around back to door 52 (the music room), and proceed to exit by the cafeteria and gym near the outside basketball courts.

Students will not be able to participate in both the IMSA Fusion (Illinois Math and Science Academy) program and Early Morning Choir. Both groups meet on Friday mornings. IMSA rules do not allow missing any activities.

Herget Harmonix is made up of advanced singers that will sing mostly a-cappella music. It is open to all grades, but students must pass an audition to be a part of this group. Only students that participate in another school choir, such as EMC or 8th grade choir class are eligible. This group is an auditioned/advanced choir that will **start late September** with auditions being held everyday/anytime **before or after school until Monday, September 10th. This group meets/rehearses at least 1 time a week and will be determined by the group.** In the past this group has met Wednesday Morning or Fridays after school in room 4005, as an example. Please see Dr. Glogowski to set up an audition (or email).
